TENNESSEE'S SPECIALTY PLATE PROGRAM

Tennessee motorists have the opportunity to display their school or civic pride and contribute to various programs of special interest when renewing their vehicle registration. These plates may be obtained by taking your renewal notice to your local county clerk's office and paying \$35.00 in addition to the regular registration fees. Collegiate as well as all other specialized license plates display a logo or artwork designed specifically for each college or organization. The Tennessee Arts Commission, the Tennessee Wildlife Resources Agency and/or many non-profit organizations all benefit in part from the sale of Tennessee's various specialty and cultural plates. Below are a few examples of the plates Tennessee offers.

For more information on available plate types and how their funds are distributed, contact your County Clerk, or Vehicle Services Division at **(615) 741-3101**. Internet users may also visit <http://www.tn.gov/revenue/vehicle/licenseplates/personalized.shtml>.

PERSONALIZING YOUR LICENSE PLATE

The fee to personalize a *regular passenger plate* or a *regular trailer plate* is \$35.00. The fee to personalize your *collegiate, specialty or cultural license plate* is \$70.00. With the exception of the trailer personalized that funds the development and maintenance of horseback riding trails, the personalization fee helps to support the Tennessee Arts Commission. To order your personalized plate **for the first time**, complete the application below and send it to the Vehicle Services Division with the fee indicated on the application. **Do not mail your renewal notice or regular registration fee with this application.**

Plate requests received and approved during a given month should arrive at your county clerk's office within the last five working days of the following month. At that time you may obtain your plate. If the plate is due to arrive the month your vehicle's registration expires, take your renewal form to your county clerk's office within the last five days of the renewal period, pay your regular registration fee, and pick up your license plate. To renew your personalized plate, simply take or mail your renewal notice to your county clerk's office and pay the renewal fee listed on your notice.
